Workshop #1: _____

From Theory to Action: A Pragmatic Approach to Digital Preservation Tools and Strategies 9am-5pm, 6/20/14 (capped at 30). This workshop is a product of an IMLS-funded study (<http://digitalpowrr.niu.edu>) exploring digital preservation problems and potential solutions for small- and mid-sized libraries and will discuss how individuals and institutions might prepare for the "how" of digital preservation.

Workshop #2: _____

Getting Started with Omeka, 9am-2pm, 6/20/14 (capped at 20)

This workshop will provide a hands-on, guided session on the installation, configuration, and personalization of your very own Omeka site in just a few hours. Spectators and questions are welcome. Bring your own laptop (OSX or Win7+). Software packages and instructions will be provided.

Workshop #3: _____

CURATECamp, 9am-4pm, 6/20/14 (No cap)

This CURATEcamp (<http://curatecamp.org>) will be held as a day long open-agenda style meeting focusing on connecting archivists, librarians, digital humanists, scholars, technologists and others together over our shared interests in digital curation, with a focus on curation issues in the digital humanities.

No Workshop: _____
